

COOKIE POLICY

BlueStarHosts Ltd uses cookies.

Cookies are unique identifiers that we transfer to your device or operating system to enable our systems to recognise your device and to provide features to assist you with your visits to our BlueStarHosts.com and ShopLinkEpos.com websites.

We also use cookies for additional purposes, including:

- Identifying you when you sign-in to our website.
- Conducting research, analytics and diagnostics to improve all our services, content, products and services for all customers.
- Improving security.
- Preventing fraudulent activity.

BlueStarHosts Ltd uses cookies and similar technologies to enhance your experience and customise content for you by understanding how you use our website.

By using our BlueStarHosts.com and ShopLinkEpos.com websites without changing your cookie settings, you are legally agreeing to our cookie policy.

Cookies are small files that a website or its service provider transfers to your device or computer's hard drive through your Web browser (only if you permit it) that enables web sites or service providers systems to identify your browser and capture and remember certain visiting customer behaviour and user information.

We use cookies for all the right reasons which include complying with the Law and specifically ensuring that your user website experience runs as smoothly as possible.

By clicking the OK button on the home page when you first visit our website, you are agreeing to their use. If you do not click the OK button, but continue to use the website then you are legally agreeing to our cookie policy.

Please feel free to email us if you have any concerns about any of the above before using our website and checkout or purchasing any of our goods and services.
