**The security scan was clear as at 23 May 2017.**

## WEBSITE SECURITY SCAN

1. A full virus scan of all the files was performed.

**The virus scan was clear as at 23 May 2017.**

## ADVISORY

**THEME** – Your theme is no longer supported and has not been updated since 20 April 2013. This may result in security issues or problems working with your additional plugins as these are updated. It is recommended that you consider updating to a well supported and maintained theme. Previously advised.
